

ZOO U. PROGRAM EVALUATION

We want to know how we did! Please be honest, no name needed!

What did you like best about the Invasive Ecology course?

What did you like least?

Do you feel you got a good overview of Invasive Ecology? If not, can you say what was missing?

Did you enjoy the behind the scenes/guest speakers? Why or why not?

In general, what would you change about the course or the way it was presented?

Please add any other comments here:

Thanks for your comments!!
